

SOUTHERN CALIFORNIA RELOCATION COUNCIL - Scholarship Application Guidelines

The Southern California Relocation Council (SCRC) is a non-profit organization that brings together corporations and relocation service providers in and around Southern California for the primary purpose of providing educational information and current industry updates to its members. SCRC sponsors a scholarship program for current high school seniors who have relocated to Southern California. **The one-time award of \$1,500 for each scholarship will be presented to two area high school seniors in the summer of the current year.** The award will be sent directly to the college (2-year or 4-year) or university that the student will be attending to assist with tuition or any other applicable expenses.

SCRC will select a scholarship winner based on the strength of the eligible applicant's total completed application that includes academic performance, extra-curricular activities, and an essay addressing the impact relocation has had on their life and impactful skills or life experiences developed because of the relocation.

- A cumulative minimum grade point average of 3.0 on a scale of 4.0.
